Prayer

Kapatid

if i ever see you face to face again
i'll ask you why so soon
and in your grand debut
from death reborn again
to life i pray

CHORUS:
i hate to see you haunting
or in your private hell
i hope you'll make it
this prayer's for you,
this prayers for you...
yeah oh

wax and wicker
that burns throughout the night
the light you shine makes me smile
you are the candle that turns the darkness back
extinguished fire

REPEAT CHORUS:
i hate to see you haunting
or in your private hell
i hope you'll make it
this prayer's for you,
this prayers for you...
yeah oh

this prayer's for you..
this prayers for you....
yeaaaahhh...
