

Ridin' High

Warrant

I'm living just to live it up, whoa yeah Since the day that I was born, I've been rockin' round my block
Just a leather coated lover with a tattoo on my heart, yeah Now I'm going downtown feel I should strut my stuff,
babe
Workin' on one track mind and baby that's not all
Now keep the motor running 'cuz I ain't got time to waste
I'm dressing for success, I guess I'm blessed with good taste Ain't no dream you're seeing things you've never
seen before, oh yeah
Well I'm breathing down your neck, knocking down your door, yeah Living just to live it up, ridin' high, ridin'
free
Gonna live it up before they bury me, grade yourselves 103
Gonna live it up, before they bury me, hope the bury me, yeah Living just to live it up, ridin' high, ridin' free
Gonna live it up before they bury me, grade yourselves 103
Gonna live it up, before they bury me, yeah
Oh yeah Gonna live up, gonna live it up
Gonna live up, living just to live it up
