She Is

GABRIELA ROBIN

Do not get me wrong
I cannot wait for you to come home
For now you're not here, and I'm not there
It's like we're on our own
To figure it out
Consider how
To find a place to stand
Instead of walking away
Instead of nowhere to land

This is going to break me clean in two
This is going to bring me close to you

[Chorus]
She is everything I need
That I never knew I wanted
She is everything I want
That I never knew I needed
She is everything I need
That I never knew I wanted
She is everything I want
That I never knew I needed

It's all up in the air
And we stand still
To see where it comes down
I don't know where it is
Don't know when
But I want you around
When it falls into place
You and I
Your side into mine
Both behind
Its indication

She's going to bring me clarity
You take the heart right out of me

[Chorus]

This is going to bring me to my knees
I just want to hold you close to me

[Chorus]

She is everything I needed
She is everything
