

As Time Goes By

Nana Mouskouri

You must remember this, a kiss is just a kiss,
A sigh is just a sigh
The fundamental things apply, as time goes by
And when two lovers woo, they still say "I love you,"
On that you can rely
No matter what the future brings, as time goes by
Moonlight and love songs, never out of date
Hearts full of passion, jealousy and hate
Woman needs man, and man must have his mate
There's no one can deny
It's still the same old story, a fight for love and glory
A case of do or die
The world will always welcome lovers, as time goes by
