

Joy

Blackstreet

Can't forget the day
That she walked into my life
It was just the kind of thing
That was so right on time After all the love changes
My heart had locked the door
Then that girl released her magic
And made me love once more, oh Like the warm rays of the sun
Her sweet love came shining down on me, oh
All at once turned my life around
And with one kiss, she set me free She's given me joy, joy, joy
That girl, she brings me joy
She's given me joy, joy, joy
That girl, she brings me joy Goodbye loneliness
And so long to my heartache
Now that joy has taken over
And decided to stay Her love lifts me up
Like no other love before
With every beat of my heart
I'm hold, holding on, hey Just look what she's done for me
She's erased all the sadness away, oh
I can never repay the deed
'Cause she keeps loving me more and more She's given me joy, joy, joy
That girl, she brings me joy
She's given me joy, joy, joy
She brings me joy
She's given me Check one, check two
Can't hold back, I'm in love with you
Check one, check two
There's nothing in the world that I won't do for you Check one check two
I can't hold back, I'm in love with you
Check one check two
There's nothing in the world that I won't do for you That girl she's given me joy, joy, joy
I love the way she loves me
She brings me joy
She's given me joy, joy, joy A little bit of lovin' darlin'
Said I love it baby
Oh girl, I love the joy she brings me
She brings me joy, she brings me joy Said I love it when you're loving me baby
Oh girl, you get me where you want me, baby

Yeah, girl you're my joyCheck one check two
I can't hold back, I'm in love with you
Check one check two
There's nothing in the world that I won't do for youCheck one check two
I can't hold back, I'm in love with you
Check one check two
There's nothing in the world that I won't do for youGirl you're my joy
