Jennifer Lopez

Uno, dos, tres, cuatro
Ooh J. Lo, good hit
Ooh J. Lo, I that good hit
GoLa la la la
La la la la
La la la la
La la la la
Can I please have your attention?!
I'm so dope from head to toe
Armed and big, I drop it low
On the ground, I put it down
Round and round yeah here we go
Push up on me, I'm on the floor
Talk up on it, make me yours
Give you my love, give me love back
Baby I'm here, where you at
Got that New York swagger, Miami bass
Got my California Loub's on, all up in your face
Yeah I'm mid-west pimp tight, Texas fire
Don't you want me to have your baby
Don't you wish I was your Boo
I got that good hit (La la la la)
Don't you wish I was your boo
I got that good hit
Don't you wish I was your boo
I got that good hit
Don't you wish I was your boo
I got that good hit
Don't you wish I was your boo
Bottoms up yup call them up yup
Tell 'em that I got that gold buy me some Louis stuff
Buy me Gucci stuff yup that I Love Lucy stuff, yup
Baby I'm a classic don't you wanna bag me
Don't you like my outfit looking all flashy
Don't you wanna love me up right in traffic?
All up on my bumper tryin' to back back
I'm standing right here where you at
[Chorus}
Baby don't you want to put your hands on me

On me, on me, on me, oh
Baby I can rock you like you can't believe,
Believe, believe, believe, yo
I know you love you my swagger
I know you like my style
I know you like my hmm, mm
I make the boys go wild
I got you boo, relax
Baby, I am here where you at?

[Chorus]

[Repeat: x2]

Cartier bracelet with my Prada bag
Up in the club with a lot of hair Don't you wish I was your boo
I got that good hit (La la la la)
Don't you wish I was your boo
I got that good hit
