Runnin'

Heartless Bastards

For every calm there is a storm
But it is often out of view
It changes paths, it changes form
Just like souls, like they often do

I broke the calm, strain in the back
I was born, driven by fear
And I don?t think I?ll ever understand
But I know I?ll be runnin? for years
And I, I hope there?s a higher ground, ?cuz I?m going steadily down
And I, I know I?ll be alright if I, I just get through the night

And, I love your way,
Oh, I love you baby, don?t mean maybe
I love your way,
And oh, your brighten and enlighten

Well, I been walking, I been walking sideways
Walking down the street
I won?t look back for another minute
There?s nothing left to see
And I, well, I took the long way
And I, well, I took the long way
