

# Sober And Irrelevant

## In Flames

We used to be original  
But now I tremble in fear  
I am like everyone else  
Alabary spellIs this how it feels to reach black bottom  
Want to know how it feels to be forgottenI become the distance  
I am the sober and irrelevant  
I don't feel but in this  
What is there to believe?I'm not asking for much  
Just a moment  
A chance to pick up the pieces  
Happiness please come homeWhat if it ends right here  
How do I change it  
Hoping to find the Savior  
I lost my wayI become the distance  
I am the sober and irrelevant  
I don't feel but in this  
What is there to believe?Is this how it feels to reach black bottom  
Want to know how it feels to be forgotten  
Hoping to find the Savior  
I've lost my wayI become the distance  
I am the sober and irrelevant  
I don't feel but in this  
What is there to believe?
