Till I went and got myself caught up wif da mic
And da beats coming dope wif da rhymes and da flows
In real life trying to cope wif da highs and da lows
I got sick and tired of getting treated like a stupid fuck-up
So I fucked my enemies up 1 time and blew da fuck up
B4 it was like yo: who's dis stupid weirdo?
Now it's like: it's a new breed of rap superhero

Deze God-forsaken wretches will never b on my level

But b nice or I'm gonna change to b ugly
