Road Runner

Aerosmith

Money, who needs it Let me live my life free and easy Put my toothbrush in my hand And let me be a travelin' man'Cause I'm a road runner, baby I'm a road runner, baby Can't stay in one place too long I'm a road runner, baby You might look at me and I'll be gone You can love me if you wanna But I do declare when I get restless I got to move somewhereI'm a road runner, baby Anywhere's my home And love the life I live And I'm gonna live the life I loveRoad runner, baby Don't want no woman to tie me down Got to be free, baby To roam aroundAll my life I've been like this If you love me it's your own risk When the dust hit my shoe I got the urge to moveSays, I'm a road runner, baby Got to keep on keepin' on And I live the life I love And I'm gonna love the life I live Road runner, baby
