Dear John

Jessie James

Dear John
I think I could fall in love with you
Dear John
I'm sorry, I didn't stay with you
But my stupid mouth
Said some things I didn't mean
And looking back now with some clarity
This is my love song for someone
Dear John
I could be your wonderland
Dear John
Baby, come back to bed
'Cause I'm dreaming with a broken heart
And I knew it from the start
Wanna try again
I could let you tuck me in
Dear John
Dear John
Stop waiting on the world to change
Gravity is pulling me away
Stop waiting on the world to change
Say what you need to say
Dear John
I'm bigger than my body
Dear John
Let's be friends, lovers or nothing
'Cause you'll never find another me
Making it so hard to breathe
Baby, can't we slow dance
While this room is burning?
Dear John
Dear John
Stop waiting on the world to change
Gravity is pulling me away
Stop waiting on the world to change
Say what you need to say
Just a girl from Georgia
Telling you why
We could both be living it right

Dear John
Dear John
Stop waiting on the world to change
Gravity is pulling me away
Stop waiting on the world to change
Say what you need to say
Dear John
Dear John
Stop waiting on the world to change
