## Steel Pulse

### CHORUS

-----Leggo beast lips of flattery eyes of lust

Leggo beast she says carnal love is a must

Leggo beast feet abide not a home

Leggo beast loves to play while her husband goneI know a lady lady of easy virtue

I know a lady lady of easy virtue

Uptown living living is all she knew

And at her door step door step

Traps she would lay for you

To lead men lead men astray

Like a vulture vulture

Lurks its prey yeh yeh I sayA rose in her hair

The pretty clothes she wears

At the passers by she winks her eye

Fools take up the offer

They say stolen waters is sweet

She has no consideration no

That's why she lies and cheatCHORUS

-----Leggo beastIn the twilight of the evening

The moon shines bright

Bread is pleasant when eaten in secret

Bosom of fire must resist it

This woman is flirting this woman deceiving

This woman misleading this woman is cheating

Choose to her content and fancy

Husband's gone she hanky pankies

Husband's gone

I know a lady lady of easy vinue

Uptown laay lady of easy virtue

Leggo--Leggo--Woman you cheat too much

Leggo beast me say fe stay at your yard

Leggo beast loves to play

Loves to play while her husband's gone
