Doe B Ft. T.I - Why Lyrics
[Intro:]
Yea
I got a lot of questions, no answers man
No...
Rest in peace to all my niggas who ain't here with me
(I don't know why)
Free all my niggas locked down
Listen I keep it real tho
(I don't know why)
Aye
(I said I don't know why)
I don't know why yall can be like this tho
[Hook:]
I don't know why these niggas hatin on me
I don't know why I still stunt in these streets
I don't know why I can't get no sleep
I don't know why the pain is runnin so deep
I don't know why we in the winter so cold
I don't know why he had to take my fault
I don't know why they had to cage my folks
I don't know why I hate to say they don't know
[Verse:]
I don't know why they had to take Lil Heep
That was my nigga since we were 13
I swear to God everyday it still hurts me
I probably would've died if they would've merk fee
And I don't know why the devil had to curse me
I don't why these niggas killed Lil D
I'mma keep yo name alive, you still live through me
Lawd when I die give me bulletproof wings
And just cus I can fly these niggas wanna shoot me
That's why I keep it high? I can't let em do me
My love is still alive, && I got to many mouths to feed
You can hate all day but it ain't no stopping me
Gotta change my ways, I can't be in these streets
I done made it all the way to BET & MTV
That's the number one reason why these niggas hatin me
Gotta kill these niggas I cant see em killing me

[Hook:]
I don't know why these niggas hatin on me
I don't know why I still stunt in these streets
I don't know why I can't get no sleep
I don't know why the pain is runnin so deep
I don't know why we in the winter so cold
I don't know why he had to take my fault
I don't know why they had to cage my folks
I don't know why I hate to say they don't know
[Verse:]
Why I'm so slum to death till I'm so numb in life
Some in it say I'm the king
But will I ever survive?
Will I forever be shaking? These suckers rolling the dice
Man would I cherish the fame if God lowered the price?
Have I already been where I'm gon go in my life?
Will everybody who doubted me now be finally right?
Well I don't give a fuck when kids don't say I'm dope
Don't they know that I only do this for feel? My daughter Leia and Dub
Why am I so so fvckin selfish? Why it's takin so much?
For me to be happy with myself, why niggas hatin so much?
Why niggas playin with they life? Sneakin on my wife
Forgive em for they know not Lord,
I'm just prayin for they life
What Doe B did for Montgomery no one could ever take from him
Why they kill him 'fore he get to the money
Riddle me this
Why my city ain't shit like it used to be
Son said 'cause they locked up Meech and T
[Hook:]
I don't know why these niggas hatin on me
I don't know why I still stunt in these streets
I don't know why I can't get no sleep
I don't know why the pain is runnin so deep
I don't know why we in the winter so cold
I don't know why he had to take my fault
I don't know why they had to cage my folks
I don't know why I hate to say they don't know
[Outro:]
