

Death Before Dishonor

In Due Time

I will stand up tall
hold on to what has been true
it has stood the test of time
gave me strength to pull through
not looking back
the old self is dead
death before dishonor
I'm taking this stand
904 REPRESENT!
death before dishonor
I'm not alone in this struggle
rising up against opposition
overcoming these battles together
with no hesitation
death before dishonor
