This Life

Seasons After

Is this the way I thought it all would end?
Is this the way I thought it all would be?
I keep on trying to pretend that I'm the only one who's here
I'm not the only one who lives in fearI keep on pretending
Life is short and it's rotting away
Keep on remembering
Time is lost and it's ticking awayYesterday's a memory
Of wreckage on the shore
Tomorrow's just another day
Of memories in store
This life's about the moments
That we're living for
So go on (go on)
Be strong (be strong)
Inside this life
This struggle seems to never have an end
And find the will to win the fight againI keep on pretending
Life is short and it's rotting away
Keep on remembering
Time is lost and it's ticking awayYesterday's a memory
Of wreckage on the shore
Tomorrow's just another day
Of memories in store
This life's about the moments
That we're living for
So go on (go on)
Be strong (be strong)
Inside this lifeThis life's about the moments that we're living for
So go on, be strong
Inside this life
A life of choice made every day
A struggler needs to find another way outYesterday's a memory
Of wreckage on the shore
Tomorrow's just another day
Of memories in store
This life's about the moments
That we're living for
So go on (go on),
Be strong (be strong)

InsideThis life's about the moments
That we're living for
So go on (go on)
Be strong (be strong)
Inside this life
