## Chamillionaire

[Rasaq]Color Changin' Click, Chamillionaire, Rasaq boy!..

Ay.. what yall really know 'bout this Texas Boys man

[Pimp C - Insert] (Rasaq ad-libs)

What yall know about them Texas boys

Comin down in candy toys, comin' down in candy toys..

What yall-What yall know about them Texas,

What yall know about them Texas boys, comin' down in candy toys..

(repeat)

[Rasaq]Texas boys roll SLAB's rollin' slow and never fast

'cause we sittin' on glass, and we showin' off this cash

On the mash, tryna multiply the stash

Bump yo gums and make us mad we gon' get up in yo ass

Like a rash when a Texas boy act,

that's yo toe up in a tag, and ya body in a bag

We ain't usually this mad, usually we zag

Let the bumper-kit drag, and we blowin' on grass

Trunk on blast, sippin' on my last

Rollin' down the Ave., in I rolled down the rag

You see them DVD's, you see them 8 TV's

You see that Pioneer, Clarion and that JVC

You see them lad-ies on my n-u-t'z

Down here it's country tunes we don't mess with MC's

I'ma hold it down, we gon' slow it down

Recline and blow a pound, put this hoe up in rewind

- Uh, now what you know about us, (What yall know about them Texas boys)

come up in the club and we leave out in cuffs

Uh, now what you know about us, (What yall know about them Texas boys)

5th wheel on the trunk, hit a switch and lift it up

Uh, now what you know about me, (What yall know about them Texas boys)

S-L-A-B, sittin' on "23's

Uh, now what you know about T,-E to the X-A-S,

we some G's

[Pimp C - Insert]What yall know about them Texas boys

Comin down in candy toys, comin' down in candy toys..

What yall-What yall know about them Texas,

What yall know about them Texas boys, comin' down in candy toys..

(repeat)
