Timbaland

I got a plan for you and I
Let's journey across the Venetian skies
Can I have some of your cookies?
Can I have some of your pie?
May I cut the first slice? So won't youScream!
At the top of your lungs if your body's feeling right
Scream!
At the top of your lungs if your body's feeling right
Scream!
At the top of your lungs if your body's feeling right
Scream!
At the top of your lungs if your body's feeling rightIntoxicated with desire
And you're the designated driver, yeah
Im not afraid cause Im a rider, yeah
Ain't nothing wrong with feeling right, so wont youScream!
At the top of your lungs if your body's feeling right
Scream!
At the top of your lungs if your body's feeling right
Scream!
At the top of your lungs if your body's feeling right
Scream!
At the top of your lungs if your body's feeling rightI love it babe, got me here doing things I don't ever do
Can't hold me down,
That's why I'm here making sure things are up for you
Get it? Like a getaway, when the lights go off, you turn on
I love yo' place 'cause I can hear the echo when you make me

BreakDon't you like that?
It feels so good, don't it?
Grab my hand baby
Let's take a walk on the beach
Let's clear our mindsHold your screaming here
Don't you like that beat?
You do?
What else you like?
Hmm
I can accommodate that
Oh, you like my swagger?
You like how I changed it up?
I like it too baby
But for now
I think the beat is going a little bit too long
Oh, you like it this long? Hmm!
That means you like to make love long, yeah
I feel that
I like how you shaking your hips to it, uh
It's about to end baby but don't you stop
Keep it going
Keep it going
Keep it going
And bring it over here
Sit on my lap
Kiss me
No no no, right here, yeah, ha
Ooh, I like that

Ooh, I like that, uh, ooh
Let me stop bullshittin'
