

After Thought

Company of Thieves

Take all of my worries and take back all of my words
Before I never learned, ooh before I never learned.
That I am not problems, I am not my monies worth
Where I went to school, order of my birth.

And I am not the answer, I am not the aftermath
A picture of the past that I didn't know no no
I didn't know no no (2x)

Someday on a mountain, I will face all of my fears
Before I disapper
That I never know no no
And one night in the middle of my marigolden dreams
I will start to see

That I didn't know no no (4x)

Take me for only a man (4x)
