

# Spirits

## Luke Solomon

While we have oceans  
Rivers that still bring us life  
Reasons to live in the moment  
Hold onto your time  
Let your heart go where the wind takes it  
Pure like the raindrops of time  
Follow the path where it takes you  
Straight down the line  
Ladies and Gentlemen  
Surely we're here in mind  
Watching our spirits dance on the  
On the backs of our lives  
How can one sit back and dream it  
I'd have no peace in my life  
Climbing these walls in an hourglass  
Prized in our strife  
And I have seen worlds filled with wonder  
Lost on my own lonely mile

Lessons I wish I had mirrored  
Time after time  
Ladies and Gentlemen  
Surely we're here in mind  
Watching our spirits dance on the  
On the backs of our lives  
While we have oceans  
Rivers that still bring us life  
Reasons to dance in the moment  
Hold onto your time  
Come fill up your souls with our blessings  
Hold up your hands to the sky  
Let the whole world know you're out there  
High in our highs  
Ladies and Gentlemen  
Surely we're here in mind  
Watching our spirits dance on the  
On the backs of our l
