

# Beautiful Thing

## All Star United

I want a Pavarotti voice 'cause I'm a scary Connick  
A solo show with the Philharmonic  
No fake Monet, hey, the real Van Gogh  
A Seventeen, Cover Girl, Vogue, Cosmo(Whoo hoo hoo)  
It's a beautiful thing  
(Whoo hoo hoo)  
To be loved by you  
(Whoo hoo hoo hoo)  
Oh, that'll be enough to get me through  
It's a beautiful thing I'll take the Rockies gift-wrapped or the Grand Tetons  
Add a truckload of those cherry bon-bons  
A '54 fire red collector's car  
A doggy bag trip to the money super bar(Whoo hoo hoo)  
It's a beautiful thing  
(Whoo hoo hoo)  
To be loved by you  
(Whoo hoo hoo hoo)  
Oh, that'll be enough to get me through  
It's a beautiful thing There's no trade  
Nothing could persuade  
I'm no fool  
You're so beautiful  
Yeah, so beautiful  
Yeah(Whoo hoo hoo)  
It's a beautiful thing  
(Whoo hoo hoo)  
To be loved by you  
(Whoo hoo hoo hoo)  
Oh, that'll be enough to get me through  
It's a beautiful thing(Whoo hoo hoo)  
It's a beautiful thing  
(Whoo hoo hoo)  
To be loved by you  
(Whoo hoo hoo hoo)  
Oh, that'll be enough to get me through  
It's a beautiful thing(Whoo hoo hoo)  
It's a beautiful thing  
(Whoo hoo hoo)  
It's a beautiful thing

(Whoo hoo hoo)  
Oh, that'll be enough to get me through  
It's a beautiful thing
