

Walk the Sky

Fuel

My skin is my shield
But who's to save me from inside
Wretched as if
To procreate from genocide See how it tried to fly
Wings that are kryptonite I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky All that is ill
And all I fight to keep inside
Grips me until
The point of breaking's no surprise See how it tried to fly
Wings that are kryptonite I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky I wanted to feel this
I'm thinking of trying to fly
'Cause if I get my ins
I'll walk the sky
