

# I Stole Your Love

## Lullacry

Alright, I remember the day that we met  
I needed someone, you needed someone too, yeah  
Spend time takin' all you could get  
Givin' yourself was one thing, you never could do  
You played with my heart  
Played with my head  
I got to laugh  
When I think of the things you said 'Cause I stole your love, stole your love  
Ain't never gonna let you go  
'Cause I, oh yeah, stole your love, I stole your love  
Stole your love, I stole your love  
You never stop runnin' around  
You pick me up, then you could still put me down  
You were the girl that nobody could own  
Stay for a while, then you would leave me alone  
I'm somethin' different  
Ain't like the rest  
How does it feel  
To find out you're failin' your test? 'Cause I stole your love, stole your love  
Ain't never gonna let you go  
'Cause I, I, stole your love, I stole your love  
Stole your love, I stole your love  
Guitar Listen, I stole your love, stole your love  
Ain't never gonna let you go  
'Cause I, I, stole your love, I stole your love  
Stole your love, I stole your love  
I stole your love, stole your love  
I stole your love, oh I, oh yeah, stole your love, I stole your love  
Stole your love, I stole your love  
I, oh yeah, stole your love  
Oh yeah, stole your love, alright
