

# What To Say

## Mozella

You keep crying on the phone  
So why don't you come home?  
So we can talk about the things  
That I did wrong again  
Somehow I'm always giving in

But I don't know what to say  
To make you stay  
And I don't know how to play  
The games you play

But I can't cry anymore  
So what's this for?  
If you wanna leave, leave

'Cause everyone here knows that I  
Would lay down here and die to make to smile  
My timing's never right, it's no surprise  
It's no surprise that I've been up all night

And I don't know what to say  
To make you stay  
And I don't know how to play  
The games you play

But I can't cry anymore  
So what's this for?  
If you wanna leave, leave

So hey, this ain't so bad  
Look at all the fun we had  
We fight too much  
We're out of touch, you're free

And you know the way it goes  
Though I had blamed it on me

Well, I don't know what to say  
To make you stay  
And I don't know how to play

The games you play

No, I don't know what to say  
To make you stay  
And I don't know, I don't know  
I don't know what to say  
To make you stay

And I don't know what to say  
To make you stay  
And I don't know how to play  
The games you play

Well, I can't cry anymore  
So what's this for?  
If you wanna leave, leave

Leave, go ahead, come on

And I don't know what to say  
And I don't know how to play  
What to say  
Well, I can't cry anymore  
So what's this for?

I don't know, I don't know  
I don't know what to say  
To make you stay  
I don't know
