Healthy Body (Uncut Version)

Operation Ivy

Expensive vitamin pills and wheat germ on your windowsill
Your schedule's hectic and you've got no time to kill
Earning money and you're spending it the right way
Just in such a rush that you don't know if it's night or day5:30 get up, run run run
Then you work eight hours
Slaving under the gun
Little world is based on lies lies lies
Always rushing but you're never ever satisfiedHealthy body sick mind
You're working overtime
Healthy body sick mind
Too hectic, too hectic
Healthy body sick mind"Why don't you just unwind?"
It's just a matter of time
Sick body sick mind!The money you spend on running shoes could feed me for a week
Your plans are laid so well that you can't even sleep
Pursuit of happiness got you life locked up under Marshall law
You got everything to lose so you're paranoid about some fatal flaw5:30 get up, run run run
Then you work eight hours
Slaving underneath the gun
Little world is based on lies lies lies lies lies lies lies lies lies
Ooooooooooooooooooh!
Always rushing but you're never ever satisfiedHealthy body sick mind
You're working overtime
Healthy body sick mind
Too hectic, too hectic
Healthy body sick mind
Why don't you just unwind?
It's just a matter of time
Sick body sick mind!
