

# Raise Hell

## Anthrax

I'm runnin'  
I'm tryin' to break away  
It's gettin' heavy  
There's no way I can stay I'm going under  
It's burnin' up my mind  
Release the feeling  
I'm runnin' out of time Raise hell, raise hell, raise hell  
I'm on fire  
Raise hell, raise hell, raise hell  
Can't hold back desire  
Only desire I'm on the outside  
Always looking in  
You know the heats on  
Ready to begin And when I'm inside  
You stare into my eyes  
When it's over  
You see through my disguise Raise hell, raise hell, raise hell  
I'm on fire  
Raise hell, raise hell, raise hell  
Can't hold back desire  
Only desire  
[Incomprehensible] Raise hell, raise hell  
I'm runnin' out of time  
Raise hell, raise hell Raise hell, raise hell, raise hell  
I'm on fire  
Raise hell, raise hell, raise hell  
Can't hold back desire  
Come on, only desire, raise hell
