Donâ€™t Leave

Seven Lions

Baby I can't be what you want me, to be
I've given you everything I sailed, the sea
Baby there's fireworks in my heart, setting off
Darling I wishÂ you hadn't let us fall apartI promise I try to let this goÂ but
I can't breathe
If only you knew how much I give you everythingÂ you need
So in the space and time around us, to waste
Baby I think I'm losing you,Â I can see it in your faceDon't leave
Don't leave
I need you
And I need you
EhAnd I
And I need you
'Cause lately you've been the world to me
I need you
'Cause lately you've got the best of meFall apart, fall apart, fall apart
Fall apart, fall apart, fall apartDon't leave
Fall apart, fall apart, fall apart
Don't leaveI promise I try to let this go butÂ
I can't breathe
If only you knew how much I give you everything you need
So in the space and time around us, to waste
Baby I think I'm losing you, I can see it in your faceDon't leave
Don't leave
And I need you
I need youFall apart, fall apart, fall apart
Fall apart, fall apart, fall apartDon't leave
Fall apart, fall apart, fall apart
Don't leave
Fall apart, fall apart, fall apart
