

You're My Everything

[Nat King Cole](#)

You're my everything underneath the sun
You're my everything rolled up into one
You're my only dream, my only real reality
You're my idea of a perfect personality You're my everything, everything I need
You're the song I sing and the book I read
You're a way beyond belief and just to make it brief
You're my winter, summer, spring, my everything You're my everything (everything I need)
You're the song I sing and the book I read
You're a way beyond belief and just to make it brief
You're my winter, summer, spring, my everything
