

Style

Frank Sinatra, Dean Martin, Bing Crosby

Now here comes a musical shack attack
Really on truly design to make you rock
Whether you white or black
In a pants or frock
Round a front or back
Down an bottom or on top
Is pablo ranks round the microphone a chat
On the musical shack attack seen (dreadlocks)
Here them style ya now star
Ca me say if a don`t patton then a style
A me say is a don`t patton them a style (smile)
A mi say if a don`t patton them a style (wicked on wile)
Say if a don`t patton them a style
Mi young a say strong jab know mi well virile
True mi eant everything them a say that spwile
Man mi run way left mi yard them a say that mi wile
Say mi lock the education but mi versatile, true mi
Sell the callie weel on them mi collect the kile
Babylon want fi hold mi it is just for a while
Say mi break out a jail a man use a file
Say mi head in a the mountain - under low profile
Mi say if a don`t patton them a style (right)
A me say if a don`t patton them a style (flashitta)
Ca me say if a don`t patton then a style (bubble)
A mi say if a don`t patton then a style
But a true say pablo cool pablo wasn`t hostile
Mi rub down fi mi skin yes in a coconut oil
Me rap ip fi mi weed in a bacofile
Mi chat the rub a dub fi make the girls them smile
The blood in a them body (man) me want it fi boil
With swet a run them back like a engine oil
With the lyrics them a fire like any missile
Pablo ranks around the mic as your disciplin child
Well mi fire fi mi lyrics for a million mile
All the girls them in the dance say him dea under profile
Ca me say if a don`t patton them a style
A me say if a don`t patton them astyle (wicked and wile)
Say if a don`t patton then a style (qwane)

Ca me say if a don` t them a style

You know say pablo ranks him a you cullicked yard child

A tell you that patton that a patton

Me say style a style

But a snake on a lizard on a crocodile

But a them dea creature me say call reptile

But anywhere you go, you know those a pure style

But a pablo rankin dea ya cause him wicked and wile

Come fi run down the rubadub in a yard style

Make the girls them in the dance hall feel fi smile

Make the blood in a them body (just) starte fi boil

Make the swet a run them back like a engine oil

Ca mi fire them ya lyric fire them not like missile

Me say if a don` t patton them a style

A me say if a don` t patton them a style (wicked on wile)

Say if a don` t patton then a style

Cause me say if a don` t patton then a style

I` m young i` m strong jab know mi well verile

True mi want everything them a say that mispwile

But run a left mi yard them a say that mi wile

Say mi lack the education but me versitile

Cause me sell the callie weed on then collect kile

Babylon them want fi hold me it is just for a while

Say me break out a jail an 9 man use a file

Say me head into the mountain under low profile

True say 9 man did cool 9 was never hostile

9 man rub down my skin in coconut oil

On rap up my weed in bacofoil

And 9 chat the rubadub fi make the girls them smile

Cause the blood their body`s - 9 want it to boil

An the swet should run their backs like engine oil

Me say if it`s not fashion then it`s style

A me say if a don` t patton them a style

A me say if a don` t patton them a style (wile)

A mi say if a don` t patton them a style

A fire them ya lyrics like a God dam missile

A fire them hot for one million miles

On true them never know me was disaplin child

Me go to the stadium an pass through the turnstile

But if 9 feel to walk 9 walk about five miles

Ca me say if a don` t patton then a style (right)

A me say if a don` t patton them a style (gwane)

A me say if a don` t patton them a style (kick up)

A me say if a don` t patton it`s style
