

Ghost Of Days Gone By

Alter Bridge

The misery I know like a friend that won't let go
Is creeping up on me now once again
So I sing this song tonight to the ghost that will not die
And somehow it seems to haunt me till the end
Do you you feel the same for what was remained?
Yesterday is gone, we can't go back again
Do you know ever cry for the ghost of days gone by?
I remember summer days, we were young and unafraid
With innocence we'd glide beneath the stars
It seems so long ago beyond the life that I now know
Before the years would have their way and break my heart
Do you you feel the same for what was remained?
Yesterday is gone, we can't go back again
Do you know ever cry for the ghost of days gone by?
Ghost of days gone by
Ghost of days gone by
And I know it's drawing closer
With each day I feel the end
And I don't wanna die, don't wanna die
Don't wanna die, I don't wanna die
Do you feel the same for what was remained?
Yesterday is gone, we can't go back again
Do you ever cry for the days gone by?
Do they haunt you like a ghost until the end?
Haunt you till the end, until the end
Until the end, until the end
