

The Way I Loved You

Selena Gomez & The Scene

Everything's cool, yeah
It's all gonna be okay, yeah
And I know,
Maybe I'll even laugh about it someday
But not today, noCause I don't feel so good
I'm tangled up inside
My heart is on my sleeve
Tomorrow is a mystery to meChorus:
And it might be wonderful,
It might be magical
It might be everything I've waited for
A miracle
Oh, but even if I fall in love
Again with someone new
It could never be the way I loved youLetting you go is
Making me feel so cold, yeah
And I've been
Trying to make believe it doesn't hurt
But that makes it worst, yeahSee I'm a wreck inside
My tongue is tied and
My whole body feel so weak
The future may be all I really need(Repeat Chorus)Like a first love
The one and only true love
Wasn't it written
All over my face, yeah
I loved you like you loved me
Like something pure and holy
Like something that can never be replacedLast Chorus:
And it was wonderful
It was magical
It was everything I've waited for
A miracle
And if i should ever fall in love
Again with someone new
It could never be the wayNo, It will never be The Way I Loved You
