Long Long Day

Rumer

It's been a long, long day
I got some run-down shoes
Ain't got no place to stay
But any old place will be OK
'Cause it's been a long, long dayGoodnight
Goodnight, my loveI sure been on this road
For nearly fourteen years
Can't say my name's well known
You don't see my face in Rolling Stone
But I sure been on this road
Goodnight
Goodnight, my loveWhen I saw him standing there, I said
"Hey, there's a guy who needs a laugh"
That's what I said to myself
What the Hell? We're both alone
And now I'm standing here in the corner
Shooting to kill
It's been a long, long day
I sure could use a friend
Don't know what else to say
I hate to abuse an old cliche
But it's been a long, long day
It's been a long, long day
