The Fix Is In

Entombed

I was around
When god was a boy
Now, I was the one
Who stole his favourite toy
Pharaoh of fraud
Now look at your goddamned king
I take all being
And render it nothingYou know
That the war is on
You know
That it can't be won
You know
That the fix is in
You can't have the good guys winThe fix is inTake on the throne
And make it your own
I said, take on the throne
And make it your ownYou know
That the war is on
You know
That it can't be won
You know
That the fix is in
And you know that I always winYou know
The good guys lost
You know
War is high on cost
You know
You cannot win
And you know the fix is inHeretic at the stake
Let the motherfucker bakeYou know
That the war is on
You know
That it can't be won
You know
That the fix is in
And you know that I always winYou know
The good guys lost
You know
War is high on cost

You know
You cannot win
And you know that I always win
