

# Snow On the Sahara

Anggun

Only tell me that you still want me here  
When you wander off out there  
To those hills of dust and hard winds that blow  
In that dry white ocean aloneLost out in the desert  
You are lost out in the desertTo stand with you in a ring of fire  
I'll forget the days gone by  
I'll protect your body and guard your soul  
From mirages in your sightLost out in the desertIf your hopes scatter like the dust across your track  
I'll be the moon that shines on your path  
The sun may blind our eyes, I'll pray the skies above  
For snow to fall on the SaharaIf that's the only place where you can leave your doubts  
I'll hold you up, and be your way out  
And if we burn away, I'll pray the skies above  
For snow to fall on the SaharaJust a wish and I will cover your shoulders  
With veils of silk and gold  
When the shadows come and darken your heart  
Leaving you with regrets so coldLost out in the desertIf your hopes scatter like the dust across your track  
I'll be the moon that shines on your path  
The sun may blind our eyes, I'll pray the skies above  
For snow to fall on the SaharaIf that's the only place where you can leave your doubts  
I'll hold you up, and be your way out  
And if we burn away, I'll pray the skies above  
For snow to fall on the SaharaFor snow to fall on the Sahara  
For snow to fall on the Sahara  
For snow to fall on the Sahara
