

This Is It

Jay & The Americans

(Ah ah ah) She doesn't love me anymore
(Ah ah ah) She doesn't want my kisses
I know that this is it for me
(Ah ah ah) She doesn't want me anymore
(Ah ah ah) Somehow my touch just misses
I know that this is it for me (So turn on the sun) I need the sunlight
(Ah ah ah) Need its glow to make things bright
Without her, every day is black as night
(And bring out the moon) I need the moonlight
(Ah ah ah) Brighter than it's ever shone
She's gone and I am so alone (But she cried for me) When she cried for me
(Yes she cried for me) Yes she cried for me
(And she) wo wo oh oh (could've laid down and died for me) (Ah ah ah) She doesn't love me anymore
(Ah ah ah) She doesn't want my kisses
I know that this is it for me
