

# There's Only One Way To Rock

## Van Halen

One way to rock I've heard it called by different names all over the world, but it's all the  
Same there's so many ways to make love a million ways to make love a million  
Ways, I've been thinking of oh yea chorus: but there's only one way there's only  
One way to rock so many things can get you high I'm gonna try em all just once  
Before I die and you can analyze this situation to me it's all just mental  
Masturbation [chorus] now quickly, check the hands on the clock it's 8:05, it's  
Time to rock and this world can disagree they don't understand how it can be  
And it's not my point of view it's a fact, and you know that it's true [chorus]  
Crank up the drums, crank out the bass crank up my les paul in your face  
[chorus]
