

# Ozone

## Kiss

I'm the kind of guy who likes feelin' high  
Feelin' high and dry and I really like to fly  
I'm your kinda guy, girl, I'm not too shy  
And I want you to fly, so I think you oughta try Ozone, ozone, ozone, ozone I'm your kinda guy and I'm not too shy  
Feelin' high and dry and I want you to be mine  
So I think it's time, girl to start feeling fine  
Feeling good all the time, so I think you oughta try Ozone, ozone, ozone, ozone Now, I'm the kinda guy who likes gettin' high  
Gettin' high and dry and I do it all the time  
If you think it's a crime and you don't wanna try  
Something that'll make you high then I think, I'll say goodbye 'Cos I'm the kind of guy who likes gettin' high  
Gettin' high and dry and I do it all the time  
Now I'm much too high, I am high and dry  
And I'm feelin' fine
