

# Here You Come Again

**Dolly Parton**

Here you come again  
Just when I'm about to get myself together  
You waltz right in the door, just like you've done before  
And wrap my heart 'round your little finger Here you come again  
Just when I'm about to make it work without you  
You look into my eyes and light those dreamy eyes  
And pretty soon I'm wonderin' how I came to doubt you All you gotta do is smile that smile  
And there go all my defenses  
Just leave it up to you and in a little while  
You're messin' up my mind an' fillin' up my senses Here you come again  
Lookin' better than a body has a right to  
An' shakin' me up so, that all I really know  
Is here you come again an' here I go All you gotta do is smile that smile  
And there go all my defenses  
Just leave it up to you and in a little while  
You're messin' up my mind an' fillin' up my senses Here you come again  
Lookin' better than a body has a right to  
An' shakin' me up so, that all I really know  
Is here you come again an' here I go Here I go  
An' here I go  
An' here I go Here you come again  
An' here I go  
Here I go  
An' here I go
