My Fault

The Peacocks

[Chorus: x2]I never meant to give you mushrooms girl
I never meant to bring you to my world
Now you sitting in the corner crying
And now its my fault (My fault)
I went to Johns rave with Ron and Dave
And met a new wave blond babe with half of her head shaved
A nurse aid who came to get laid and tied up
With first aid tape and raped on the first date
Susan an ex heroin addict who just stopped using
She loved booze and alternative music
Told me she was going back to using again
I said wait first try this hallucinogen
Its better then heroin and booze and gin
Come here lets go in here
Who's in the den? (Its me and Kelly)
My bad lets try another room (I don't trust you)
Shut up slut chew up this mushroom
This will help you get in touch with your roots
Walking barefoot butt naked and run in the woods
(Oh hell I might as well try them this party is so drag)
Oh dag I didn't mean for you to eat the whole bag (Uh)
[Chorus: x2]
Yo Sue (Get away from me I don't know you)
Oh shoot she's tripping (I need to go puke)
I wasn't trying to turn this into something major
I just wanted to make you appreciate nature
Susie stop crying I don't hate ya
The world is not against you
I am sorry your father raped you
So you had your little coochie in your dad's mouth
That ain't no reason to start wiggin' and spaz out
She said (Help me I think I am having a seizure)
I said I am high too bitch
Quit grabbing my t-shirt (Let go)
Would you calm down you are starting to scare me

She said (I am 26 years old and I am not married I don't even have any
Kids and I can't cook)
I am over here Sue

You are talking to the plant
Look we need to get to a hospital
Before it is too late
'Cause I never seen one eat as many 'shrooms as you ate
[Chorus: x2]
Susie where you going you better be careful
(leave me alone dad I am sick of getting my hair pulled)
I am not your dad
And try not to swallow your tongue
Want some gum?
Put down the scissors before you do something dumb
I will be right back just chill baby please?
I got to go find Dave he is the one who gave me these
John where's Dave at before I bash you
He's in the bathroom
I think he is taking a crap dude
Dave pull up your pants
We need an ambulance
There's a girl upstairs talking to plants
Chopping her hair off
And there's only two days left of spring break
How long do these things take to wear off?
Well it depends on how may you've had
I took 3 she had the other 22 caps
Now she is upstairs crying out her eye balls
Drinking Lysol (She is going to die dude)
I know and its my fault (My god)
[Chorus: x2]
I am so sorry I am so sorry
Susie please wake up
What are you doing
Your not dead
