Dick On A Dog

Rocket from the Crypt

(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dogCome on and feel that sweat drippin' down my leg, trickle past my thigh - make it soaking wet
The only way to get it is to kick it - hah
So kick it real good and watch it get red(Shake - shake) come on and shake it up
(Shake - shake) come on and dance with me
(Shake - shake) come on and shake it upThe man cracks down on the brand new moves
The kids don't want it but the folks approve
Don't get even - don't get mad
Just shake it 'til you're wet and make it get red-hot(Shake - shake) come on and shake it up
(Shake - shake) come on and dance with me
(Shake - shake) come on and shake it up(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog(Shake - shake) come on and shake it up
(Shake - shake) come on and dance with me
(Shake - shake) come on and shake it upNo standing around
No more being bound
I got the new colossus
No more feeling dumb
Hold hands all as one
So we can work it ruby red(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
(Hey - hey) it's like a dick on a dog
