

# Mary Skeffington

Gerry Rafferty

Mary Skeffington, close your eyes  
And make believe that you are just a girl again  
Go to sleep tonight, dream of days  
When you had something there to light the way Remember a holiday in a north of England town  
You slept in a room upstairs on a bed of eiderdown Mary Skeffington, when you wake  
You mustn't be afraid to face another day  
Think of what you have, you'll get by  
You've always been a lady so hold your head up high Look back on a home where you spent the best years of  
your life  
Remember the man who asked you if you would be his wife Mary Skeffington, close your eyes  
And make believe that you are just a girl again  
Go to sleep tonight, dream of days  
When you had something there to light the way
