

Morphiaâ€™s Waltz

The Gathering

I see your eyes
Blue and wide open
Take your time
my divine creature
My arms will provide
undivided attentionSleep, child sleep
rest your eyes
until the sun comes up
and you'll awake
to light, everyones day
up againRest your head
in my lap, honey
The day I wept
is when I had you my loveSleep, child sleep
rest your eyes
until the sun comes up
and you'll awake
to light everyones day
up again
