

Anticipation (2015 Remastered)

Carly Simon

We can never know about the days to come
But we think about them anyway, yay
And I wonder if I'm really with you now
Or just chasin' after some finer day Anticipation, anticipation
Is makin' me late
Is keepin' me waitin' And I tell you how easy it feels to be with you
And how right your arms feel around me
But I, I rehearsed those lines just late last night
When I was thinkin' about how right tonight might be Anticipation, anticipation
Is makin' me late
Is keepin' me waitin' And tomorrow we might not be together
I'm no prophet and I don't know nature's ways
So I'll try and see into your eyes right now
And stay right here 'cause these are the good old days (These are the good old days)
And stay right here 'cause these are the good old days
(These are the good old days)
(These are the good old days)
(These are the good old days)
(These are.....the good old days)
