Dead Inside (Demo)

Chimaira

I felt so alone
You left feeling so empty and needing
Can't see the glitter in you
You called me all the time
Hiding behind your lies materialisticGo away
You don't know what it's like to be dead inside
You called him a friend to help you get through it
I see your true face now
Well my tears are gone, I am happy now
Thanks for making it clearGo away
You don't know what it's like to be dead inside(Repeat 2times)
I am dead to you
You take my heart and used it as a tool
I wish that this would just go away
You can't find love you can't cry tears
(Low Growl)You won't be crying alone
Dead Inside (repeat 7 times)
Who are you today, another face erased
(Low Growl)Dead Inside(Deep Growl)
You don't know what its like to be Dead Inside
You don't know what its like to be Dead Inside
Who are youYour dead inside
Dead inside!
Your Dead Inside
