

# Dead Inside (Demo)

## Chimaira

I felt so alone  
You left feeling so empty and needing  
Can't see the glitter in you  
You called me all the time  
Hiding behind your lies materialistic Go away  
You don't know what it's like to be dead inside  
You called him a friend to help you get through it  
I see your true face now  
Well my tears are gone, I am happy now  
Thanks for making it clear Go away  
You don't know what it's like to be dead inside (Repeat 2 times)  
I am dead to you  
You take my heart and used it as a tool  
I wish that this would just go away  
You can't find love you can't cry tears  
(Low Growl) You won't be crying alone  
Dead Inside (repeat 7 times)  
Who are you today, another face erased  
(Low Growl) Dead Inside (Deep Growl)  
You don't know what its like to be Dead Inside  
You don't know what its like to be Dead Inside  
Who are you Your dead inside  
Dead inside!  
Your Dead Inside
