Bluegrass Express

Rhonda Vincent

Ridin' the Bluegrass Express
Ridin' the Bluegrass Express
This train will soon be gone
And I'm goin' home on the Bluegrass ExpressHe'll cross the river at New Port Town
Louisville, Lexington, he's south bound
Richmond, Winchester, Bowling Green
Prettiest place I've ever seenRidin' the Bluegrass Express
Ridin' the Bluegrass Express
This train will soon be gone
And I'm goin' home on the Bluegrass ExpressRidin' the Bluegrass Express
Ridin' the Bluegrass Express
This train will soon be gone
And I'm goin' home on the Bluegrass ExpressRidin' the Bluegrass Express
Ridin' the Bluegrass Express
This train will soon be gone
And I'm goin' home on the Bluegrass ExpressHe'll cross the river at New Port Town
Louisville, Lexington, he's south bound
Richmond, Winchester, Bowling Green
Prettiest place I've ever seenRidin' the Bluegrass Express
Ridin' the Bluegrass Express
This train will soon be gone
And I'm goin' home on the Bluegrass Express
And I'm goin' home on the Bluegrass Express
