

# Losing You

Vincent Liou

All the words that I didn't speak  
Believe me it wasn't just lust  
It's hard to keep this inside of me  
Darling, you fell from above  
Mighty tides pulling but I won't let you go  
ohhh ohAh-ooh-ooh  
Sometimes I feel like I am  
Ooh-ooh  
When all the right words seem to  
Oooh-ooh  
Sometimes I feel like I am  
Losing you, yea, losing, losing  
Baby don't you know I'm more than worth it  
Sweet talk only gets you so far  
If you don't want me to close that door on you  
Just show that you really care  
Gravity's pulling but I won't let you down  
ooh ohAh-ooh-ooh  
Sometimes I feel like I am  
Ooh-ooh  
When all the right words seem to  
Oooh-ooh  
Sometimes I feel like I am  
Losing you, yea, losing, losing  
Mighty tides pulling but I won't let you go  
ohhh ohAhoohoooh  
Ahoohoooh  
Ahoohoooh  
Ahoohooah-ooh-ooh  
Sometimes I feel like I am  
Ooh-ooh  
When all the right words seem to  
Oooh-ooh  
Sometimes I feel like I am  
Losing you, yea, losing, losing
