

# You Make Me Wanna

**Michael Sweet**

Been running round and around with you  
If you go down I will follow you  
You make me wanna live  
And you make we wanna give Been flyin' high in the sky with you  
When you go up I'm gonna get there too  
You make me wanna move  
And you make me wanna prove No one makes me feel the way you do  
No one makes my heart and soul come to  
Baby but you do  
Been dreamin' day in and out of you  
I see your face in the light of June  
You make me wanna feel  
You make me wanna kneel I want to live every life with you  
Heaven and earth and any other too  
You make me wanna love  
Yes you make me wanna love No one makes me feel the way you do  
No one makes my heart and soul come to  
Baby but you do No one makes me feel the way you do  
No one makes my heart and soul come to  
No one makes me feel the way you do  
No one makes my heart and soul come to  
Baby but you do  
Baby but you do  
Baby but you do
