

Trust Nobody (feat. Selena Gomez & Tory Lanez)

Cashmere Cat

[Intro: Selena Gomez]

Mmmm, hahaha[Chorus: Selena Gomez]

I'ma tell you how I want it

Baby, tell me how you need it

Hope you're good at keeping secrets

See you're good at keeping secrets

See you know I don't trust nobody

I know you don't trust nobody

Said only I can touch your body

So baby you know, I know, you know, I don't

You know I don't trust nobody

You don't trust nobody

Said only I can touch your body

Yeah only I can touch your body

'Cause only you know, I know, you know, I don't

You know I don't trust nobody[Verse 1: Selena Gomez]

Baby, come through on a late night creep

Pull up on you like, beep, beep, beep, beep, beep (skrr, skrr)

Now you know now I'm in the back

Tinted windows sittin' in the back seat

You know I'm a freak right? (yo, yo)

Hit you on a free night (yo, yo, yo)

I know what your key type (yo, yo)

You don't wanna leave, right? (yo, yo yo)

You wanna stay a little late?

I'll give you the tingle in your waist

Hit you when you need a little taste

Better watch my back[Chorus: Selena Gomez]

I'ma tell you how I want it

Baby, tell me how you need it

Hope you're good at keeping secrets

See you're good at keeping secrets

See you know I don't trust nobody

I know you don't trust nobody

Said only I can touch your body

So baby you know, I know, you know, I don't

You know I don't trust nobody

You don't trust nobody

Said only I can touch your body

Yeah only I can touch your body
'Cause only you know, I know, you know, I don't
You know I don't trust nobody[Verse 2: Tory Lanez + (Selena Gomez)]
I pull up in that Jag, I'm not just anybody
I'm tryna holla back, even though I know, you know
I don't trust nobody, I don't trust nobody
But if I touch your body, we'll get right, right in your lobby
Come on down, let's get down, I'm with the shit
Are you down? 'Cause I'm down, when shit get lit
And you got a body like Selena in them jeans (haha) I wanna hit
I'm so open, gone and talk that shit[Interlude: Tory Lanez]
You must be somebody, 'cause I don't trust nobody
But if I touch your body, I might trust somebody, yeah
You must be somebody, 'cause I don't trust nobody
But if I touch your body, I might trust somebody, yeah
You must be somebody, 'cause I don't trust nobody
But if I touch your body, I might trust somebody, yeah
You must be somebody, 'cause I don't trust nobody
But if I touch your body, I might trust somebody, yeah[Chorus: Selena Gomez + (Tory Lanez)]
I'ma tell you how I want it
(How do you want it?)
Baby, tell me how you need it
(Just how I need it)
Hope you're good at keeping secrets
(I'm good, I'm good)
See you're good at keeping secrets
(I'm good, I'm good)
See you know I don't trust nobody
(Oh)
I know you don't trust nobody
(I don't)
Said only I can touch your body
So baby you know, I know, you know, I don't
You know I don't trust nobody
(I don't trust nobody)
You don't trust nobody
(I don't trust nobody)
Said only I can touch your body
Yeah only I can touch your body
'Cause only you know, I know, you know, I don't
You know I don't trust nobody[Outro: Selena Gomez]
Hahaha
