

The Mission (feat. Milla Jovovich)

Puscifer

What do you know?
What do you know?
What do you know?The birds and the bees they're all wise to the lies
(What do you know?)
So they took to the trees and took to the skies
(What do you know?)
On top of the chain and safe from the rain
(What do you know?)
What cha' know about the ways of the underside?What do you know?Bought a hot shot gat from a north end
guinea
(What do you know?)
'Cause they're hip to the bull and hip to the lies
(What do you know?)
Ante up with your ass 'cause you ain't got a penny
(What do you know?)
Whatcha' know about the ways on the underside?What do you know?!Bought a hot shot gat from a north end
guinea
(What do you know?)
Ante up with your ass 'cause you ain't got a penny
(What do you know?)
Droppin' bombs from above cut ya all down to size
(What do you know?)
'Cause they're hip to the bull and they're hip to the liesWhat do you know?Yeah, the streets rose in two perfect
waves in the night
(What do you know?)
Crashes on my left, and one on my right
It's all fire and brimstone baby, so let's go outside
(What do you know?)
It's all fire and brimstone baby, I got my brand new pistol babyWhat do you know?!Bought a hot shot gat from
a north end guinea
(What do you know?)
Ante up with your ass 'cause you ain't got a penny
(What do you know?)
Droppin' bombs from above cut you all down to size
(What do you know?)
'Cause they're hip to the bull and they're hip to the lies
And they're hip to the liesOur turn to decide, who lives and who dies
Right in front of your eyes, it's time to get up
Our turn to decide, who lives and who dies

Now answer the lies it's time to get up
Our turn to decide, who lives and who dies
Whatcha' know about the ways on the underside? What do you know? Bought a hot shot gat from a north end
guinea
