

# Rose (Live in Phoenix)

## A Perfect Circle

Don't disturb  
The beast  
The temperamental goat  
The snail while he's feeding on  
The Rose  
Stay frozen, compromise  
What I will  
I am Bend around  
The wind silently  
Thrown about  
Again I'm treading so  
Soft and lightly  
Compromising my will  
I am I am  
I will  
So no longer  
Will I  
Lay down  
Play dead  
Play your doe  
In the headlights locked down  
And terrified  
Your deer in the headlights  
Shot down and horrified when  
Push comes to pull comes to shove  
Comes to step around this  
Self-destructing dance that never  
Would've ended 'til I  
Rose  
I roared aloud here  
I will  
I am I am  
I will  
So no longer  
Will I  
Lay down  
Lay dead  
Play this  
Kneel down

Gun-shy martyr

Pitiful

I rose, I roared

I will

I am
